Whereas, despite the State’s role in some dark moments in the history of the United States, Missouri proves that we can have a brighter future, as evidenced by the fact that as commander of the District of Southeastern Missouri, General Ulysses S. Whereas Missouri is the home to the national treasures of Alley Mill and the Ozark National Scenic Riverways, the patchwork of the Mark Twain National Forest, the Sainte Geneviève National Historical Park, and the Lake of the Ozarks, all of which are cherished by Missourians;

Whereas the unique terrain of forested hills, wetlands, resource-rich soil, and vast farmland and the critical Mississippi, Missouri, and Osage Rivers established the “Show Me State” as a leader in agriculture and commerce and a dominant producer of soybeans, corn, cotton, rice, cattle, swine, and poultry in the United States and as a home to nearly 95,000 farms that cover $\frac{2}{3}$ of the State;
